### How to Become an IBA ICCMCC National/Regional Round Organizer

Pursuant to Art. 6 and 7 of the [IBA ICC Moot Court Competition Rules of Procedure](#) ('Rules of Procedure'), Each country, including the Special Administrative Region of Hong Kong, the Special Administrative Region of Macau, England, Scotland, Wales, and Northern Ireland, may be represented by a maximum of **5 universities**, regardless of how many teams from the same country register. Should more than 5 student-teams register from the same country, the teams will have to participate in a Qualifying Round in order to determine the 5 teams that will participate in the International Round of the Competition.

The Qualifying Round may take the form of (1) a *National/Regional Round* or (2) a *Problem-solving Question Round*.

The list of current National/Regional Round Organizers can be found [here](#). If there is no official National/Regional Round in the concerned state/region yet, it may be organized by one of the competing universities, or an independent body, such as an NGO, academic association, etc. However, this National/Regional Round must be approved by the Organization first.

If you wish to apply to organize the National Round for the ICC Moot Court Competition in your country/region, please submit your proposal by email at [iccmcc@law.leidenuniv.nl](mailto:iccmcc@law.leidenuniv.nl) before **1 August of each year**.
