Words of welcome

Dear ICC Moot Court Competition Participants

The ICC Moot Court Competition Organizing Committee would like to welcome you to the City of Peace and Justice for the 2017 edition of the ICC Moot Court Competition! This booklet will provide you with practical information about the Competition. Please read it through carefully as it will answer most of your questions.

First and foremost, we would like to thank our new partner in this project, the International Bar Association (IBA), for their support, trust, and belief in this Competition.

We also would like to take this time to thank our other sponsors: the Planethood Foundation, the Dutch Ministry of Foreign Affairs, the Municipality of The Hague, the European Society of International Law, the Grotius Centre for International Legal Studies, and Leiden University. It is through their generous support that we are able to organize this Competition.

Additionally, we would like to express our gratitude for the encouraging support and cooperation from the International Criminal Court (ICC). We would also like to thank them for graciously hosting the finals of the Competition.

Furthermore, we would like to take the opportunity to thank the ICTY, STL, ICJ, ICTR and the several universities and law firms, who have allowed their staff to take part as judges in the Competition. We would also like to give a special thanks to our judges who have donated their time and efforts in scoring memorials or judging the oral rounds of the Competition. It is a tremendous honor to have so many esteemed judges, academics and practitioners commit their time to this Competition, as it would not be possible without them.

Finally, we would like to thank YOU for all your hard work and for being here. We hope this week will be unforgettable and wish you all the best of luck!

Sincerely,

The ICC Moot Court Competition Organizing Committee

Prof. dr. Carsten Stahn, Grotius Centre for International Legal Studies, Leiden University, Chair ICC Moot Court Organizing Committee
