Moot Court Competition**
2 - 7 June 2019, The Hague

Welcome

Dear ICC Moot Court Competition Participants,

The Organizing Committee would like to welcome you to the City of Peace and Justice for the 2019 edition of the ICC Moot Court Competition! We are extremely honored to have amongst us 70 teams from 55 different countries participating in this year's edition.

We would like to take this opportunity to thank, first and foremost, our partner in this project, the International Bar Association (IBA), for their support, trust, and belief in this Competition. Furthermore, our gratitude goes out to all our other sponsors: the Planethood Foundation, the Dutch Ministry of Foreign Affairs, the Municipality of The Hague, the European Society of International Law, Stanza Bookshop, the Grotius Centre for International Legal Studies, and Leiden University.

It is through their generous support that we are able to organize this Competition. A special thank you to the International Criminal Court (ICC) for their encouraging support and cooperation. The chance of the Finalist teams to plead in the actual courtroom of the ICC makes this Competition a unique experience.

Likewise, we would like to thank the IRMCT, STL, ICJ, ICTR, KSC and the several universities and law firms, who have allowed their staff to take part as judges in the Competition. We would also like to express our appreciation to the judges who have volunteered their time and efforts in scoring memorials and/or judging the oral rounds of the Competition. It is a tremendous honor to have so many esteemed judges, academics and practitioners dedicate their time to this Competition, as it would not be possible without them.

Finally, we would like to thank YOU for all your hard work and for being here. We hope this week will be unforgettable and wish you all the best of luck!

Sincerely,

The ICC Moot Court Competition Organizing Committee
