City of The Hague

## Word of Welcome

On behalf of the City of The Hague, I am pleased to welcome you to The Hague for the second edition of the ICC Moot Court Competition, organized by the Grotius Centre for International Legal Studies of Leiden University – Campus The Hague.

Since The Hague is the International City of Peace and Justice, we hope you and your fellow students will feel at home during this week. Besides your visit to the ICC, we hope you will take the chance to visit other international organizations based in our city. Did you know that The Hague hosts more than 160 international organizations and non-governmental organizations? This number is still growing, recently we see a growth of organizations working in the field of Justice Innovation and Big Data for Peace and Humanity.

During your stay, we hope you find time to visit the famous Girl with the Pearl Earring in the Mauritshuis and of course our beautiful beach!

To conclude, we would like to wish you a very pleasant and successful week. We hope to see you again in The Hague, perhaps at the ICC or at (your own) non-governmental organization!

With kind regards,

Ingrid van Engelshoven

Deputy Mayor Knowledge Economy,  
International Affairs, Youth and Education

# Welcome!

## Dear ICC Moot Court Competition Participants

The ICC Moot Court Competition Organizing Committee would like to welcome you to the City of Peace and Justice for the 2015 edition of the ICC Moot Court Competition! This booklet will provide you with practical information about the Competition. Please read it through carefully as it will answer most of your questions.

We would like to take this time to thank our sponsors: the Planethood Foundation, the City of The Hague, the Ministry of Security and Justice of the Netherlands, the Government of Luxembourg, the Estonian Ministry of Foreign Affairs, Doughty Street International, the European Society of International Law, the Lutfia Rabbani Foundation, the Grotius Centre for International Legal Studies, Leiden University, and the Centre for Innovation The Hague. It is through their generous support that we are able to organize this Competition.

Additionally, we would like to express our gratitude for the encouraging support and cooperation from the International Criminal Court (ICC). We would also like to thank them for graciously hosting the finals of the Competition.

Furthermore, we would like to take the opportunity to thank the ICTY, STL, ICJ, ICTR and the several universities and law firms, who have allowed their staff to take part as judges in the Competition. We would also like to give a special thanks to our judges who have donated their time and efforts in scoring memorials or judging the oral rounds of the Competition. It is a tremendous honor to have so many esteemed judges, academics and practitioners commit their time to this Competition, as it would not be possible without them.

Finally, we encourage everyone involved or participating in the Competition to voice all suggestions or comments to us to help improve your experience.

We hope this week will be unforgettable and wish you all the best of luck!

Sincerely,

The ICC Moot Court Competition Organizing Committee
