## A. ABOUT THE COMPETITION

### 1. What is the IBA ICCMCC?

The International Bar Association International Criminal Court Moot Court Competition (IBA ICCMCC) is focused on international criminal law (ICL), and worldwide the largest of its kind in the English language. The IBA ICCMCC is organized in partnership with the International Bar Association (IBA), a global association of legal professionals. The competition also receives support from the International Criminal Court (ICC), which is the permanent international court established to prosecute international crimes of genocide, war crimes, crimes against humanity, and aggression. Further information can be found here: [www.iccmoot.com](http://www.iccmoot.com).

### 2. What is the objective of the Competition?

The Competition aims to simulate the proceedings of the ICC, providing participants with an opportunity to develop their skills in international criminal law and gain practical experience in courtroom advocacy. Participants in the IBA ICCMCC engage in both written and oral arguments, presenting their cases in the form of Memorials and Oral Arguments. The Evaluators of the Memorials and the Judges of the Oral Rounds assess their legal arguments, advocacy skills, and knowledge of international criminal law. The Competition thus offers a platform for law students from around the world to engage in rigorous legal analysis, develop critical thinking abilities, and network with legal professionals in the field of international criminal law.

### 3. What is the IBA?

The International Bar Association (IBA) is the most prominent organization where international legal professionals, bar associations, and legal societies are brought together. The IBA seeks to aid global stability and peace through the administration of justice. More information on the IBA can be found [here](#).

The IBA offers many resources for international legal practice, and also [specifically for the IBA ICCMCC](#). Additionally, opportunities are offered for [education and internships](#) as well as special [memberships for students](#).

### 4. What is the ICC?

The International Criminal Court (ICC) is the permanent international institution tasked with the prosecution of the gravest crimes that are the concern of the international community as a whole. Information about its organization, methods, and State parties can be found [here](#). The ICC provides for a plethora of sources on international criminal law available for free in its [Resource Library](#).

### 5. What is the setup of the competition?

The Teams will present their arguments in the form of Memorials and Oral Pleadings. The written Memorials are evaluated by professionals who are elected to the International Panel of Evaluation (IPE). The Oral Pleadings will be judged by a selection of Judges during the Team's presentations in The Hague. The focus of the assessment are the Team's legal arguments, advocacy skills, and their knowledge of international criminal law.

## 6. Where can I find out more about this year's case?

The Case of the IBA ICCMCC is drafted every year by a panel of international criminal law professionals, led by Case Author Prof. [Michael P. Scharf](#), Chair of the IBA ICCMCC Board of Advisors. Each year, the Case is inspired by a topical issue of international criminal law that challenges the participants to be creative in their arguments and presentations.

The Case is usually released in September of the previous calendar year, before the opening of the Registration for Teams. For the 2025 edition, the Case is available on [our website](#) and Registrations will open September 2024. Information on the conditions for Registration can be found in the [Rules of Procedure](#).

Please note that all factual information needed for the teams' written and oral pleadings is included in the case. Thus, teams must not invent their own facts or draw their own conclusions on the course of certain events.

Each Team may request clarifications and corrections to the Case by **2 December 2024 @ 11:59PM CET**. All requests must be submitted via the [online submission form](#). Each Team may submit a maximum of five (5) questions and/or requests for clarification.

The Teams participating in National/Regional Rounds shall submit the questions and/or requests for clarification to the National/Regional Round Organizer.

## 7. Where does the competition take place?

The Written Round of the Competition, when the Teams have to turn in Memorials, is held completely digitally. Submission of the Memorials will be done via the official e-mail address of the Competition: [ICCMCC@law.leidenuniv.nl](mailto:ICCMCC@law.leidenuniv.nl). The conditions for submission can be found in the [Rules of Procedure](#).

The Oral Round of the Competition takes place on location in The Hague, The Netherlands, at Leiden University Campus The Hague, [Wijnhaven](#). The address is: Turfmarkt 99, 2511 DP The Hague, The Netherlands (though this may be subject to change). The Preliminary Rounds of the oral stage will be held here, as well as the Quarter-Finals and the Semi-Finals. When possible, the Final Round will be held at the [ICC](#) itself, at Oude Waalsdorperweg 10, 2597 AK The Hague, The Netherlands.

Both venues can be reached easily with public transport and are accessible for people with disabilities.

## 8. Can I participate online?

Online participation is not permitted under any circumstances.

### 11. My university gave consent to register, but has now decided to rescind it. What now?

Please contact the Organizing Office as soon as possible at [iccmcc@law.leidenuniv.nl](mailto:iccmcc@law.leidenuniv.nl). Following steps will depend on what stage of the Competition this takes place in.

The selection of eligible students for the Team is left to the discretion of the sending university. For more information, please review the [Rules of Procedure](#).

#### 20. What roles is the team composed of?

Each team must be composed of three (3) speakers, two (2) researchers, one (1) coach, and one (1) assistant coach. Any deviation from this composition must be pre-approved by the Organizing Office.

#### 21. Is it necessary for (assistant) coaches to be affiliated with the university they are guiding through the IBA ICCMCC?

#### 22. Who can help my team prepare for the Competition apart from my (assistant) coach?

Any person can be involved in the team's preparations for the moot court, be it in the Written or Oral Round. This person, however, may not be nominated as a member of the IPE.

Should this person be invited by the Organizing Committee to participate as an Evaluator and/or Judge in the Competition, they have to immediately disclose their participation in the team's preparation. Teams are responsible for informing the person of this duty.

The Organizing Office will make a determination on the person's eligibility with regard to the possibility of a conflict of interest based on their involvement in the team's preparation.

#### 23. Can team members come from different faculties/universities as long as they represent one (1) university?

Yes, it is possible for the team to be composed of students enrolled in different faculties/universities as long as all education institutions agree that the team represents one university only. All team members will appear under the same university name in all Competition materials.

#### 24. Can the composition of the team be amended?

Yes, the composition of the Team may be amended up until two (2) months before the Oral Round starts. #### 26. How many universities from the same country may participate in the competition?

Each country may be represented by five (5) Teams maximum in the Competition, regardless of how many Teams register. This includes the SAR Hong Kong, the SAR Macau, England, Scotland, Wales, and Northern Ireland. In the case that more than five (5) Teams register from the same country, there will be a Qualifying Round to determine the five (5) Teams that will be allowed to participate in the International Round.

#### 27. How will I know if my team needs to participate in a qualifying round?

Teams will be informed by **25 November 2024** if they need to participate in a Qualifying Round. Receiving a Team number by 25 November 2024 is confirmation the respective Team will automatically participate in the International Round of the Competition.

A Qualifying Round can be held in the form of a Problem-Solving Question or in the form of a National Round or Regional Round. Some countries have standard National Rounds or Regional Rounds, such as India, China, Canada, and the United States. Further information can be found in the [Rules of Procedure](#). If no established national/regional round exists in a certain country, the registered teams (when more than five (5)) will participate in the Problem-Solving Question Round organized by the IBA ICCMCC Organizing Office, or a newly formed national/regional round.

### C. ENSURING ANONIMITY DURING THE COMPETITION

#### 28. Why is the competition anonymous?

Concealing team identities prevents bias and emphasizes the quality of legal arguments and advocacy skills. This approach aligns with ethical standards and reduces conflicts of interest. Anonymity underscores the competition's integrity by assessing participants solely on their legal merits.

#### 29. What information are teams allowed to disclose in memorials?

Teams may disclose solely their team number and the particular role the memorial is pertinent to. They are not allowed to mention information relevant to, including but not limited to, the university they represent, their member's nationality, or professional affiliations.

Teams are allowed to cite legal precedents or academic works from their home country if they consider them pertinent to the current issues, provided they do not imply that this is their home country.

#### 30. What information are teams allowed to disclose during hearings?

Teams may disclose solely their team number, the particular role that they are currently representing, and the names of the counsel and the co-counsel. They are not allowed to mention information relevant to, including but not limited to, the university they represent, their member's nationality, or professional affiliations.

Teams are allowed to cite legal precedents or academic works from their home country if they consider them pertinent to the current issues, provided they do not imply that this is their home country.

These may take the form of flags, national emblems or colors, university logos, or colors, and may be displayed through printing or embroidery on various items like clothing, accessories, stationery, or other articles.

The above constitutes a non-exhaustive listing and does not deprive teams from wearing their respective religious attire if they wish to do so.

**36. Can I wear a gown/robe/collar tabs/bands or other legal accessories?**

No, participants may not wear a gown/robe/collar tabs/bands or other legal accessories, as they may be deemed as insignia indicating the jurisdiction they are coming from.

Prior to registration teams need to receive consent from the university management to represent the university in the upcoming competition.

### 40. Do teams need to provide a list with the names of participants upon Registration?

As long as the registration includes the name and contact information of at least the contact person, universities may register their participation and save their place in the Competition without submitting the rest of the names of the Team Members.

A complete roster of Team Members must be submitted before the deadline included in the [Rules of Procedure](#).

### 41. What is a contact person? Who can be a contact person?

The contact person facilitates information exchange between the team and the Organizing Office, coordinates logistics, manages schedules, and ensures compliance with rules. They also offer support, handle inquiries, and act as an emergency contact, enhancing the team's competition experience.

A team member or an (assistant) coach may be designated as the contact person.

### 42. What is a Team Number?

Upon acceptance of the Team's registration, a number will be allotted to the Team to ensure the fair progression of the Competition. Please carefully note this Team Number, as it must be included in all further communications with the Organization.

### 43. Is there a registration fee?

The list can be found [here](#) and annexed to the [Rules of Procedure](#). The registration fees are as follows for teams from countries qualified as:

- High-income: €1900
- Upper middle-income: €1600
- Lower-middle income or low income: €1100

The registration fee covers the cost of seven (7) Team Members, irrespective of how many Team Members actually join the Competition. It is not possible to receive a reduced fee in case the Team has less than seven (7) Members.

The Organization can send a confirmation of payment to the Team upon request at [ICCMCC@law.leidenuniv.nl](mailto:ICCMCC@law.leidenuniv.nl).

#### 44. Who is referred to as a team member?

Speakers, researchers, and (assistant) coaches are considered team members.

#### 45. What is included in the Registration Fee?

The registration fee covers the team's participation in the written and oral rounds, as well as in academic and social events during the competition. These include, but are not limited to, a reception with drinks following the opening ceremony and/or the awards ceremony, and a farewell party. Team members will receive a goody bag upon arrival at the venue for registration.

Accommodation, transport, meals, and living costs are not covered by the Competition. Participants are responsible for covering these themselves. Unfortunately, no cost overview can be provided, as the expenses are very much subject to a person's own preferences.

#### 46. Does the organization provide financial support to participating teams?

The Organization is not responsible for financing the participation of Teams and/or other Participants. As such, the Organization encourages Teams to reach out to their own institute, local law firms, international organizations or other entities for sponsorship.

A limited number of funding opportunities is provided thanks to the generous support of the IBA. More information will be provided on [our website](#) in due course.

#### 47. How can payments be made?

## E. IPE NOMINATIONS

#### 48. What is the IPE?

Teams competing in National/Regional Rounds are not required to appoint IPE members unless they choose to do so.

#### 49. Who can be nominated for the IPE?

Teams should nominate individuals who hold at least a Master's degree in law in any jurisdiction, or a Master's degree in an international law-related field. Experience in the practice of law is accepted in lieu of a Master's degree. Duly qualified persons include, but are not limited to, lawyers, academics in the field of law, legal advisors, legal officers, and court personnel.

The nominated persons must in no way be involved with the nominating Team or its preparation. A Coach or Assistant Coach of a participating Team can under no circumstance be nominated as an Evaluator.

#### 50. What is an affiliation?

An “Affiliation” means a personal or professional relationship between a judge and an institution, Team Advisor, or Team Member participating in the Round in which the judge is to serve.

A “Conflict of Interest” means an Affiliation that would, in the eyes of a reasonable observer, create an inference that the judge would be unable to be impartial as to the conduct or result of the Moot.

The following affiliations are not deemed to be a conflict of interest:

- The Judge is an alumnus of one of the schools participating in this round;
- The Judge is an employee of one of the schools participating in the Moot where such employment is sufficiently remote from the activities of the Team as to dispel any reasonable suspicion of partiality.

The above constitutes a non-exhaustive listing.

#### 51. Is there a selection process for individuals recommended by universities?

No, all individuals recommended by universities will be automatically included in the IPE and will be requested to evaluate three anonymous memorials following the competition's Rules of Procedure.

#### 52. Will the individuals nominated by my team for the IPE receive notification of their selection?

Yes, the Organizing Office will send an automatic email notification upon the teams' nomination of IPE members.

#### 53. What if the person my team nominates for the IPE is unable to evaluate memorials?

It is your team's responsibility to nominate individuals capable of evaluating the assigned memorials from the Organizing Office. If, due to unforeseen circumstances, the nominated individual cannot fulfill this duty, you may recommend another duly qualified individual as a replacement. Please note that no deadline extensions will be granted in such cases.

## F. PREPARATIONS FOR YOUR TRIP TO THE HAGUE

#### 54. What can I do if my university does not have many international law resources?

In this case, we invite you to browse the [ICC Resource Library](#) and other open-access sources on international criminal law, including amongst other Prof. Stahn's book [A Critical Introduction to International Criminal Law](#), Prof. Scharf's MOOC [Introduction to International Criminal Law](#). Furthermore, you can consult blogs such as [EJIL:Talk!](#) and [Opinio Juris](#). Please keep in mind that this is not an exhaustive listing of available sources, rather a brief indication to assist you in your research.

### 55. Is visa support provided?

The Organization is not responsible for the visa application or awarding the visa. As such, it is the Participant's own responsibility to apply for the necessary visa on time. Please note that these processes may take quite some time, so it is recommended to start the application process as early as possible.

To aid the visa application, the Organization can provide official Participants (Teams and Judges) with a letter of support, which states the reason for coming to The Netherlands and (contact) information on the Competition. Such a letter must be requested via [ICCMCC@law.leidenuniv.nl](mailto:ICCMCC@law.leidenuniv.nl), and mention the following details:

- Full name as appears on passport
- Nationality
- Passport number
- Birthdate (dd/mm/yyyy)
- Full address of the Embassy/Consulate where you apply for the visa

The deadline for requesting such support letters is **15 April 2025**. Please note that requests past this date and/or without the abovementioned details will not be considered, as there would not be sufficient time for the visa application.

### 56. When do I need to arrange my arrival to / departure from the Hague?

The opening ceremony will take place on **11 June 2025** in Leiden University Campus The Hague, [Wijnhaven](#). Teams shall check-in and receive their goodie bags and competition material from beforehand at the competition venue. Specific details and time will follow closer to the date.

Although participants may arrive in the Hague in the morning of 11 June, we advise to arrive the day before, to ensure that you have enough time to settle and allow for any travel delays/disruptions. Please note that participation in the hearings is mandatory.

The Final will take place in the morning of 18 June 2025 and is expected to finish by the early afternoon of that day. Teams will have the opportunity to attend the final from the Public Gallery of the International Criminal Court. However, based on previous years' experience, seating capacity is limited and offered on a first-come, first-served basis.

On the night of 18 June, participants are invited to a farewell party. Attendance is not mandatory but if you plan on leaving the Hague right after the end of the Final, we kindly ask you to inform the Organizing Office accordingly.

### 57. Is there a dress code during the competition?

The Competition aims to familiarize participants with international courtroom advocacy. As such, it is not acceptable for any of the Participants to wear shorts, miniskirts, deep cleavages and/or flip-flops. Teams are advised to dress appropriately formal for a court setting and ensure their own comfort.

For side events, participants may opt for business casual attires, while for the farewell party, there is no particular dress code.

### 58. Where can I find practical information about my visit to The Hague?

To assist you in this regard, we have drafted a booklet with useful information about getting to the Hague, places to stay and eat, as well as information about the venues and their accessibility. The booklet is available [here](#).

## G. Written Round

### 59. What is a memorial?

Memorials are written legal documents prepared by participating teams. They typically consist of legal arguments and analysis related to the case and present the team's legal positions, interpretations of the law, and evidence to support their arguments. Each memorial shall reflect the distinct role of the prosecution, victims' counsel, and defense counsel in the context of a trial before the ICC.

### 60. What are the differences between the memorials for different roles?

Each memorial represents a unique perspective within the competition and serves different legal and advocacy purposes. More information may be found below:

#### 1. Prosecution Memorial:

- Role: The prosecution's role is to represent the interests of the international community in pursuing charges against the accused.
- Content: The prosecution memorial presents arguments that support the confirmation of charges against the accused, demonstrating the commission of crimes and the culpability of the defendant.
- Perspective: The prosecution memorial advocates for a strong case against the accused, emphasizing the need for justice and accountability.

#### 2. Victims' Counsel Memorial:

- Role: The victims' counsel represents the interests and rights of the victims of the alleged crimes in the ICC proceedings.
- Content: The victims' counsel memorial focuses on advocating for the rights and reparations of the victims. It presents legal arguments and evidence related to the harm suffered by the victims, the impact on their lives, and their entitlement to reparations and participation in the proceedings.
- Perspective: The victims' counsel memorial emphasizes the importance of recognizing and addressing the rights and suffering of the victims in the pursuit of justice.

#### 3. Defense Counsel Memorial:

- Role: The defense counsel represents the accused and seeks to uphold the rejection of charges by the Pre-Trial Chamber.

- Content: The defense memorial presents legal arguments that challenge the prosecution's case, raise doubts about the guilt of the accused, and highlight potential legal defenses. It may include arguments related to the sufficiency of evidence, alibis, or violations of the accused's rights.
- Perspective: The defense counsel memorial aims to protect the rights and interests of the accused, asserting their innocence or arguing for a lesser charge or punishment.

An overview of the different criteria on the basis of which oral submissions are evaluated and their contribution to your final score may be found in Annex 2 of the Rules of Procedure.

**103. Which teams qualify to the QF?**

The Preliminary Round comprises both a written and oral phase, and they are evaluated separately. The top twenty-seven (27) teams, based on the combined scores from both phases after penalties are deducted, will advance to the Quarter-Final Round. Each of these phases, written and oral, contributes equally to 50% of the total score. In the event of a tie at the 27th position, the team with the highest overall score in the oral phase of the Preliminary Round will progress to the Quarter-Finals.

**104. How are the QF matches generated and how are roles allocated?**

The Quarter-Final pairings are determined in advance based on the rankings from the Preliminary Rounds:

- Quarter-Final Matchup 1: Teams ranked 1st, 18th, and 27th.
- Quarter-Final Matchup 2: Teams ranked 2nd, 17th, and 26th.
- Quarter-Final Matchup 3: Teams ranked 3rd, 16th, and 25th.

- Quarter-Final Matchup 6: Teams ranked 6th, 13th, and 22nd.
- Quarter-Final Matchup 7: Teams ranked 7th, 12th, and 21st.
- Quarter-Final Matchup 8: Teams ranked 8th, 11th, and 20th.
- Quarter-Final Matchup 9: Teams ranked 9th, 10th, and 19th.

To determine the role that each team will represent in the Quarter-Final, a designated team member from each qualified team will choose one envelope from a set of three envelopes provided by the Organization. Each envelope contains a distinct role. The role specified in the envelope drawn by the designated team member will be the one that the team represents in the Quarter-Final Round.

The order in which teams select envelopes is random.

Teams have the freedom to select one of their three speakers to represent them in the Quarter-Final Round, and they are not constrained by the roles their speakers assumed in the Preliminary Rounds.

**105. Which teams qualify to the SF?**

The nine (9) victorious teams from the Quarter-Final Round will advance to the Semi-Final Round. The judging panel in each Quarter-Final Round will select the winning team of that particular round by majority voting.

Notably, the Quarter-Final Round is solely composed of an oral phase, with no consideration given to the results of written memorials or the outcomes of hearings from the Preliminary Round in scoring this stage.

**106. How are the SF matches generated and how are roles allocated?**

The Semi-Final pairings will be determined based on the rankings of the advancing teams from the Preliminary Rounds:

- Semi-Final Matchup 1: Teams ranked 1st, 6th, and 9th.
- Semi-Final Matchup 2: Teams ranked 2nd, 5th, and 8th.
- Semi-Final Matchup 3: Teams ranked 3rd, 4th, and 7th.

To determine which role each team will represent in the Semi-Final, a designated team member from each qualified team will select one envelope from a set of three envelopes provided by the Organizing Committee. Each envelope contains a distinct role.

The role specified in the envelope drawn by the designated team member will be the one that the team represents in the Semi-Final Round.

Teams have the autonomy to choose which of their three speakers will represent them in the Semi-Final Round, and they are not restricted by the roles their speakers assumed in the Preliminary Round and Quarter-Final Round.

**107. Which teams qualify to the Final?**

The Semi-Final Round will exclusively involve an oral phase. It's important to note that the results of written memorials and the outcomes of hearings from the Preliminary Round, Quarter-Final Round, or any prior rounds will not be factored into the evaluation of final scores in the Semi-Final Round. The team that emerges victorious in each Semi-Final match-up will advance to the Final Round.

**108. How are the Final matches generated and how are roles allocated?**

To determine the role that each qualified team will represent in the Final Round, a selected team member from each team will choose one envelope from a set of three envelopes provided by the Organizing Committee. Each envelope contains a different role. The role specified in the envelope drawn by the designated team member will be the one that the team represents in the Final Round.

The order in which teams select envelopes is random.

Teams have the flexibility to decide which of their three speakers will represent them in the Final Round and are not constrained by the roles their speakers held in the Preliminary Round, Quarter-Final Round, or Semi-Final Round.
